

March 11th Science

Original typeface designs in the digital age.

MODERATOR
LORRAINE DONEGAN
PROFESSOR, GRAPHIC COMMUNICATION CALPOLY

SPEAKER
CHRISTOPHER SLYE
OF ADOBE SYSTEMS

Speaker Christopher Slye of Adobe Systems, will discuss the history and accomplishments of Adobe Originals, their leadership role in the industry, and how new technology over the years has affected their work. The talk will include examples of old and new designs, and will illustrate how the OpenType format has allowed users to achieve ever better typographic quality. This event is sponsored by the Graphic Communication Department and the Kennedy Library, and is free and open to the public.
